

Progress Report

Name: Shreyash Nallawar
Course: Solving Nonlinear Equations with MATLAB
Progress: **100%** complete (as of 12 June 2022)

Chapters

1. Introduction **100%**
2. What is Root Finding? **100%**
3. Finding a Root: The Bisection Method **100%**
4. Finding a Root: The `fzero` Function **100%**
5. Systems of Nonlinear Equations: The `fsolve` Function **100%**
6. Next Steps **100%**
